### Agenda:

#### 1. County Fundraiser 22<sup>nd</sup> November.

The committee discussed the format of the event and drew the conclusion that it should be composed of a Registered Sporting Shoot with additional events around it.

PB has discussed the appearance of John Bidwell as an attraction, interest has been shown by Clay Angel, and several shooting outfitters, PB to explore appropriate liaisons and sponsors.

To publicise the event by flyers and local / regional press may be possible through Land Rover – PB to discuss with CLA and Land Rover.

PB to produce collateral and gain committee approval before releasing

PB suggested that a better response may be possible by sending out a “Newsletter” to all Hertfordshire members, the committee agreed but required costs to be obtained for discussion by next meeting.

The potential problem of insurance for the fundraiser was raised by GP, following an open telephone conversation with Martin Barker, the position was clarified and he stated that Nuthampstead SG has the coverage required.

PB and GP to discuss the format of the shoot and the event with MB on Wednesday 8<sup>th</sup> July

2. Registering Nuthampstead for Sporting

As Nuthampstead SG is not registered for English Sporting, it was agreed after discussion that the committee will reimburse the fees for attaining the registration to MB, thus providing Hertfordshire with the capability to run registered shoots in future on home ground.
