The minutes were accepted.

Agenda:

1. County Badges

PB had investigated the cost of the badges and had requested quotes from several manufacturers, the cost however was still very high – from £833 to £900.

PB proposed that County “Team” Badges should be embroidered in silk to save county funds, with County “Champion” Badges still made in silver wire.

Cost difference all silver - £833.50, Embroidery and Silver £476.50. The proposal was seconded by TS and carried unanimously. PB to order badges by 22nd.

2. HQ Changes

The meeting was asked what changes they would like to see at HQ following the departure of Phil Boakes.

Members present listed the following:

Youth Programme – What are HQ doing to take shooting to the young?

How is HQ proposing to attract new members and keep them?

Too many disciplines being represented by CPSA in the UK – what is being done to separate the Olympic disciplines at “grass roots” level?

Academy Fees – too vague and far too expensive

Champion of Champions event – totally mis-managed from the forms being sent out to the event itself, comments were “unprofessional”, “smacked of favouritism” and “odd layouts”.

3. AOB

ZZ Helice – PB to ask Secretary of Essex if we can join them for our County Championship to boost numbers.

GP requested that PB produce Accounts for the county in the absence of a Treasurer.

4. Meeting closed at 10:30
