John Cordell

Wai Fu

Paul Lovick

Glenn Paeckmeyer

Tracy Speirs

### **Apologies:**

Mike Cotton

Alan Haynes

Alison Nicol

Mick Terry

### **AWOL:**

Cheryl Hall

Martin Barker

### **Previous Minutes**

### **Matters Arising**

Badges – GP asked if we had ordered the county badges, PB replied that we had ordered them, but after several abortive attempts by Diamond Embroidery to produce a high quality badge with the correct coat of arms and lettering on them, he had finally received the correct order.

### **Agenda:**

#### **1. AGM**

PB suggested that as the AGM is so poorly supported by members and facilities for the meeting required a significant investment, we should look for alternative venues. GP proposed that we should use the St. Ippollitts Main Hall, the proposal was seconded by TS the committee voted unanimously to accept.

#### **2. County Badges**

PB distributed the remainder of the county badges to those present for ESK, ESP and FITASC. PB had previously distributed badges to the OT, ABT and DTL teams and presented the County Champion badges also. There remained the OSK team and County Champion badges.

PB proposed that the county should order the badges for 2011 as soon as possible in order that teams have their badges in time for SER competitions early next year. The committee voted unanimously to accept. PB to order 2011 badges by the end of October.

**3. Fundraising**

GP proposed that we should hold a fundraiser based upon trap disciplines – DT, OT, UT, ABT at Nuthampstead. PB to discuss with MB possible dates for early next year.

**4. AOB**

TS told the assembled committee that she will be leaving the county by January 2011 and would therefore not be re-standing for OT Captain. PB offered TS his and the committee's thanks for all the sterling work that she had undertaken over that last three years which has resulted in Hertfordshire being several places higher in the regional OT tables.

**5. Meeting closed at 10:00**

**Next Meeting:**
