Matters Arising

Badges – After discussing the new badges were approved and the Secretary is instructed to order the badges as a matter of urgency so that we will have them at the start of the competition season. It is suggested that we order 100 badges and year bars for 2011 & 2012 as this may reduce the price.

Proposed M Barker Seconded M Cotton

Fund Raising – Sunday 21st August was agreed as the date for the Hertfordshire Fundraising shoot at Nuthampstead. Martin Barker will confirm this date with the Secretary. The shoot will be a 50 bird re-entry Sporting Shoot. If budget permits we should put an advert in Pull as well as the fixture list. Flyers should be circulated to Gun Shops, Clubs and members as soon as possible.

Any other Business

Mike Cotton advised that he had attended the Essex County AGM at Fens Gun Club and that there were 70 people present. There was a free bar and buffet. It is hoped that by Hertfordshire having the next AGM after a shoot at Nuthampstead and including a raffle we may attract more members.

Alison Nicol suggested that we all watch the Home Affairs Committee inquiry into the current system of Firearms Licensing. The changes could include moving shotguns into a Section 1 style certificate requiring "good reason" for every shotgun held. Where possible we should encourage Hertfordshire members to write to their local MP.

Date of next meeting :- 10th May 2011 at 8pm (Mike Cotton will be in USA apologies given in advance)

Meeting Closed 8.45pm
